

# Rain Barrel Brochure

All of the rain barrels are 100% recycled, as they are constructed from used food grade barrels. The barrels are cleaned and rinsed with rainwater, then fittings and screens are added.

Rain barrels are come in black, grey, terra cotta, or brown. Rain barrels are available in either 50 or 55 gallons. Depending on the size, rain barrels are \$65 or \$70 each. Each rain barrel contains a perforated top with a mesh screen, top overflow valve, plastic spigot, and a bottom drain.

**55 Gallon Black Rain Barrel**

**55 Gallon Grey Rain Barrel**

**50 Gallon Brown Rain Barrel**

**55 Gallon Terra-Cotta Rain Barrel**

**50 Gallon**

\*Shapes of barrels may vary depending on availability at the time.

## Additional Parts

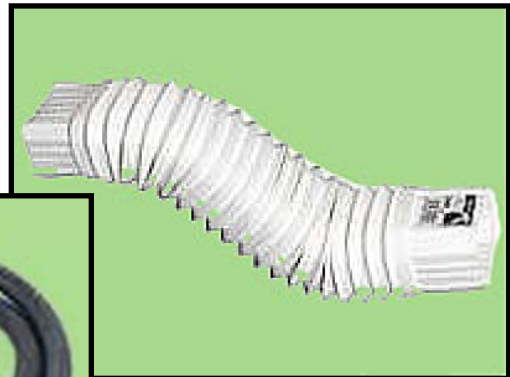

A 4' black linking hose may be purchased for \$10. Linking hoses connect rain barrels together for additional water storage capabilities. Flex elbows are also available which can direct water from the downspout into the rain barrel around corners to better conceal the rain barrels. Two sizes of flex elbows are offered. A 2" x 3" flex elbow is \$8, and a 3" x 4" flex elbow is \$12.

**3 x 4 Elbow**

**3 x 4 Elbow**

**4' Linking Hose**

Information about rain barrels and a printable order form is available on the website at [www.henrycountyilswcd.com](http://www.henrycountyilswcd.com). Order forms are also available at the Henry County SWCD office at 301 East North Street, in Cambridge. For more information regarding rain barrels, please call the office at 309.937.5263, extension 3 or e-mail [Andrew.Brachman@il.nacdnet.net](mailto:Andrew.Brachman@il.nacdnet.net). Stop in and check out the rain barrel on display for viewing at the Henry County Soil and Water Conservation District!
